NOVOTEL

NOVOTEL MELBOURNE AIRPORT

With a palette of muted timbers and greens reminiscent of the landscape of regional Victoria, Novotel Melbourne Airport is a welcome retreat—an invitation to spend your time, your way.

Understated yet sophisticated, we turn an overnight stay or event at the airport into a destination in itself.

With 248 newly built rooms and suites—some with Melbourne skyline views or the tarmac for that irreplaceable travel experience—guests come for many reasons but all enjoy a quintessentially Melbourne experience that exceeds all expectations.

As you enter the lobby, the distinctive bluestone cobbles—a feature of the city's laneways—impart a sense of place.

This is Melbourne.

Whether you come for the coffee, the laneways and street art, or Melbourne's vibrant arts and sporting scene, there's no denying the appeal of Australia's most distinctive city—and ibis Styles.

Reflecting the excitement inherent in travelling and exploring, this is urban chic at its most dynamic.

With 216 rooms just steps away from Terminal 4, some with runway views, think beyond the traditional airport hotel and discover a refreshing hub for travellers, an oasis from meetings and conferences on site, and a place of calm after a memorable event. What are you waiting for?

This is your boarding call for **everything you love** about the city of Melbourne.

BOCCATA, AMBER STATE TAPHOUSE & KITCHEN AND SMALL HOLDINGS

A food and wine heaven, few places compare to Melbourne and regional Victoria—and now, Novotel Melbourne Airport. Showcasing the best the state has to offer, let time stand still and enjoy our offerings before your flight, or make it your own with a private function or after-dark cocktail event. **The possibilities are endless ...**

Boccata means mouthful in Italian, and is our flagship restaurant that takes its inspiration from the city's Italian immigrants who forever changed the way we eat, drink, connect and celebrate. Local ingredients shine through signature Italian dishes with a contemporary touch, accompanied by Victorian wines, of course.

Amber State Taphouse & Kitchen is a modern pub with a twist, a perfect laid-back space to fill in

time before your flight, or relax with friends or colleagues. The outdoor open BBQ fires up daily for typical Aussie fare, while the bar serves craft beers and Victorian wines on tap.

Small Holdings, a unique artisan bakery and cafe, is inspired by the simplicity and delight of warm handheld baked goods, and captures the essence of the city's coffee culture through partnerships with ST. ALi Coffee and local producers.

What's Melbourne without food? Without coffee? Fine wine and craft beers? **It's all here.**
